In the absence of these details, the Customer may still instruct the Bank to make a Payment as long as the Customer has other sufficient details which enable the Payment to reach the intended Beneficiary. However, in such cases, the Payment could be delayed, could be rejected by the third party bank and can incur an additional charge due to a manual intervention at the Bank's end or at the third party bank's end.

- For Payments outside the EEA and non-SEPA payments, the Customer must give the Bank sufficient information to enable the Payment to reach the intended payee such as the payee's bank account number, the payee bank's name and the payee name, together with the sort code or national bank code or any other information which may be requested by the particular bank in the country to where the payment is intended.

- The amount of the payment (for SEPA payments, the amount must be indicated in euro);

- The date the payment is to be deducted from the Account (where applicable).

8.5 Because of regulatory requirements in certain countries and/or other payments industry requirements, when transmitting funds overseas, the Bank may be required to include, in addition to the Customer's (remitter's) name, details such as the remitter's account number, address and purpose of the transfer. Omission of requested details may result in processing delays at the Beneficiary Bank or return of funds.

8.6 Remittance of funds may become attached or blocked under prevailing EU, US or international sanctions. Remission of funds will therefore be made at the responsibility of the Customer.

Information required for Standing Instructions

8.7 The Bank will require the following details from the Customer to enable the Bank to set up a standing instruction from the Customer's Account:

- The Account to be debited with the relative instructions;
- The Currency and amount to be debited;
- The payee's name, account number (or IBAN) and sort code (or BIC);
- The date the Bank is to start deducting the Payments from the Customer's Account;
- The date the Bank is to stop deducting the Payments from the Customer's Account;
- How often the Customer wants the Bank to make the Payments (the frequency of the Payment);
- The number of Payments to be made;
- Any reference identifying the payment (including a reference to the Customer or the recipient).

The Customer is to duly complete the Standing Orders Instructions Application Form or alternatively complete the relative details through Digital Banking so as to enter into a Standing Instruction agreement with the Bank.

The Bank shall execute the standing instructions on the Customer's Account on the dates provided by the Customer as referred to above provided there is availability of funds. If the dates provided by the Customer as stated herein fall on a day when the Bank is not open for business, the Bank will effect the instructions on the next Business Day.

Receipt and Processing of Payment instructions

8.8 The Bank will process Payments from the Customer's Account if the Customer authorises it in any of the ways under these General Terms, the information required is provided by the Customer in accordance with this clause and:

- there are enough cleared funds in the Customer's Account to cover the Payment; or
- there is a formal overdraft facility on the Account which covers the Payment or we agree to provide a temporary overdraft facility to cover the Payment. In such a case, unless otherwise specifically agreed with you, we shall be entitled to the repayment of such overdrawn amounts plus interest at the interest rate applicable from time to time on debit balances and which can be found in clause 15.2. You undertake to pay such amounts on demand in Writing.

The Bank may however refuse or delay the execution of Payment instructions for a valid reason as set out in these General Terms.

- 8.9 Unless otherwise specified, the point in time of receipt of a Customer's Payment instructions shall be the time when the Payment instructions are received by the Bank and the execution times referred to in this clause shall start running from that date. Instructions are, subject to all conditions required for the execution of payments having been satisfied, generally processed and the Account debited on the Business Day received. To do this, the Bank must receive the necessary instructions before the Cut-Off Time for that Business Day as set out in the clauses below. If the Payment instructions are not received before the Bank's Cut-Off Time on any Business Day, such instructions are deemed to have been received on the next Business Day and subject to all conditions required for the execution of payments having been satisfied, shall be processed and the Account debited on the next Business Day.

Where the Customer asks the Bank to make a Payment on a future date, the Bank will debit the Account and execute the Payment instructions on the future date provided there is availability of funds and subject to all conditions required for the execution of payments having been satisfied. If the Payment falls due on a day when the Bank is not open for business, the Bank will make the Payment on the next Business Day.

- 8.10 Provided the Customer's Account is interest-bearing and in credit, interest at the rate applicable to the relative Account will be paid on the amount of the Payment until it is debited. If the Account is overdrawn, the Customer will not be charged interest on the Payment until it has been debited to the Account.

Cut-Off Times and Execution Times

8.11

Payment Type	Cut-Off Time to receive instructions	How long does it take to reach Payee's bank (maximum execution time)
SEPA Payments	14:00	Next Business Day
International Payments	15:30 (manual transactions: 15:30 Internet banking: 16:00)	Two Days
Transfers to own Accounts with the Bank	15:30 (manual transactions: 15:30 Internet banking: 16:00)	Same Business Day
Transfers to third party Accounts with the Bank	15:30 (manual transactions: 15:30 Internet banking: 16:00)	Same Business Day

The execution times displayed in the above table are without prejudice and subject to the fulfilment of all conditions required by the Bank to execute the Payment, any third party bank policies and requirements or any other unforeseeable circumstances beyond the Bank's control. For the avoidance of doubt, the execution times displayed in the above table do not apply to SEPA Instant Credit Transfers/SEPA Instant Payments.

For payment transactions within the EEA made in currencies other than in Euro, unless agreed otherwise, the execution time shall not exceed four (4) Business Days from the receipt of the order by the Bank.

In case the Customer requires a same day value payment instructions, this shall be subject to the Cut-Off Time related to the geographical location of the destination.

The Bank's responsibility for the Payment transaction ends when the Payment instruction is transmitted to the bank where the destination account is held. It is the payee's bank's responsibility to make sure that the Payment is correctly and timely credited to the bank account of the payee in accordance with any applicable laws, regulation, rulebooks or industry guidance.

Without prejudice to clause 9.10, when the Bank receives a Payment for a Customer's Account before Cut-Off Time and there is no currency conversion or where there is a currency conversion between the EURO and an EEA currency and subject to the Bank having all necessary information to credit the amount to the Account, this will be immediately credited to the Customer's Account and, following any set-off with debit balances, the Customer will be allowed to use the funds straightaway. The Bank will pay interest on it (or use it to reduce the interest the Customer pays), as may be applicable, from the same day.

- 8.12 When the Bank receives a Payment for a Customer's Account after Cut-Off Time or on a non-Business Day and there is no currency conversion between the EURO and an EEA currency or between two EEA currencies and subject to the Bank having all the information necessary, the Bank will credit it to the Customer's Account on the next Business Day and following any set-off with debit balances, the Bank will allow the Customer to use the funds and will pay interest on it (or use it to reduce the interest the Customer pays), as may be applicable, as from the said Business Day.

Different Payment instructions received on the same Business Day

- 8.13 In assessing whether to effect Payments, the Bank may consider any other Payments or Payment instructions made or agreed to be made from the Account that day, even if those other Payments have not already been deducted from the Account. This must be taken into consideration when requesting Payments. If on any Business Day, the Bank receives several Payment instructions to be processed from the Customer's Account and the amount of funds in the Account is insufficient to process all Payment instructions plus related costs and expenses, then the Bank shall be entitled to decide the order of execution of such Payments.

Payments that involve a foreign currency exchange

- 8.14 For a list of exchange rates, please contact the Bank on +356 21322100 or refer to the Bank's website www.fimbank.com or refer to Digital Banking.
- 8.15 When Payments to or from the Customer's Account are in a currency which is different from that of the Customer's Account, the Bank will apply the Bank's standard official exchange rate at the time the Payment is processed by the Bank.
- 8.16 In the case of a Payment returned to the Bank in a currency different from that of the Customer's Account from where it had been debited, the Bank will convert the returned Payment back to the currency of the Customer's Account at the Bank's standard official exchange rate when the Payment is processed.
- 8.17 Requesting an exchange rate to a Payment creates a commitment for the Customer to authorise the Bank to make the Payment in that currency. After authorisation to the Bank to execute the Payment, any Payment cancellation and unwinding of the transaction by the Customer or by the Bank in terms these General Terms, may result in a loss reflecting any underlying movements in foreign exchange rates which loss shall be borne by the Customer. To this end, the Customer authorises the Bank to immediately debit any of the Customer's Accounts held with the Bank to cover any such loss. Additionally, the Customer agrees that the Bank will retain any gain which may be made as a result of any such movements in foreign exchange rate upon cancellation of any transaction.
- 8.18 Clauses 9.9 and 9.10 apply to Payments in a currency other than the currency of the Customer's Account which are received into Customer's Account.

Subject to any manifest error, the foreign exchange conversions shall be binding and may not be disputed.

- 8.19 Without prejudice to other provisions of these General Terms, we shall not be under any obligation to process any Payment instructions for any valid reason (and the Bank will not be responsible for any loss) including in any of the following cases:
- (a) the balance in your Account is not sufficient to cover the amount of the Payment plus related costs and expenses or the Customer has exceeded a limit the Bank has applied to the Customer's Account;
 - (b) there exists a garnishee or other court order or an order from an authority or any other legal requirement in relation to your Account or funds which prohibits the Bank from executing the Payment;
 - (c) there exists reasonable suspicion about the source, legality or use of funds or your Account and/or the Payment seems unusual compared with the way the Customer normally operates the Account;
 - (d) for fraud prevention purposes and/or if the Bank reasonably believes that the Account has been or is likely to be misused;
 - (e) instructions are not clear or are incomplete or the Customer has not provided the information required; and
 - (f) for any other reason which may be separately set out in these General Terms or in any other Additional Conditions or in any other agreement with the Customer regulating a product or a service.

- 8.20 Unless the law prevents the Bank from doing so, the Customer will generally, otherwise than in the case of standing instructions, be immediately told that the Bank has refused to accept the Customer's Payment instructions (including where possible, the reasons for the refusal), when the Customer makes his or her request at the offices of the Bank. In all other cases, the Bank will seek to contact the Customer by telephone or through any other available and appropriate means to inform the Customer that the Bank has refused to act on his or her Payment instructions (including where possible the reasons for refusal). In any event, the Customer shall be informed by not later than the end of the next Business Day after the Bank's refusal of the instruction.
- 8.21 Where applicable, the Customer will also be informed of any procedure for correcting any factual errors that led to the refusal.
- 8.22 The Bank may charge for each occasion that the Customer is notified that the Payment request has been refused as per the Bank's Tariff of Charges.

Returns

- 8.23 A Payment may be returned to the Bank by the bank to which the Payment had been made on the Customer's instructions.
- 8.24 In case of a return, the Bank will credit the Account from where the funds had been debited to effect the Payment, and unless the law prevents the Bank from doing so, the transaction advice will contain the reason for the return.
- 8.25 In terms of the Bank's Tariff of Charges, a charge may be due in case of such a notification and the Customer may also be liable for any third party bank charges, if applicable.
- 8.26 Unless the Customer instructs the Bank otherwise or unless the law prevents the Bank from doing so, the Bank will credit the amount of the returned funds, less the Bank's charges and any third party bank charges, if applicable, to the Account which had been debited. Where applicable, in case a currency conversion is required, the Customer may also be liable for any exchange rate differences.

Cancelling or Changing a Payment

- 8.27 If the Customer asks the Bank to make a Payment immediately (a same-day value payment), the Customer may request a change or cancellation of such Payment provided that the Bank has not yet processed the Payment. Should the Payment have already been processed the Bank may, subject to clause 8.34 and upon the Customer's Written request, trigger a request for cancellation and await return of Payment.
- 8.28 A Customer may cancel a Standing Instruction and any Payment which the Customer asks the Bank to make on a future date at the latest by the relative Cut-Off Time of the Business Day preceding the agreed day for execution. Please refer to clause 8.11 for the relative Cut-Off Time. A charge for such cancellation may apply as per the Bank's Tariff of Charges.
- 8.29 In the case of a Payment which has been processed, if the Customer wishes to cancel such Payment, the Bank may charge the Customer the Bank's costs for trying to cancel it, whether or not the Bank succeeds, in accordance with the Bank's Tariff of Charges. There may also be third party bank charges, in which case, these will also be charged by the Bank.
- 8.30 A SEPA Instant Credit Transfer cannot be stopped once payment is authorised from your end, as the Beneficiary will receive the funds within 10 seconds from when payment is initiated.

Charges

- 8.31 For outward transfers in any currency where both the payment service providers of the remitter and the Beneficiary are located in the EEA, the remitter shall pay the charges levied by his payment service provider and the Beneficiary shall pay the charges levied by his payment service provider (the "SHARE option"). For outward transfers in any currency to countries outside the EEA, the Customer shall instruct the Bank whether to use the OUR, SHARE or BEN option. If no such instructions are received, the SHARE option will be applied.
- 8.32 Apart from other charges specifically mentioned herein, further charges may be applied by the Bank in relation to payment inwards and outwards in accordance with the Bank's Tariff of Charges.
- 8.33 The Customer is also liable for any out-of-pocket expenses (such as third party bank charges or fees charged in view of manual intervention due to lack of or incorrect required information) incurred by the Bank in relation to the Customer's

Payment instructions and in respect of which the Bank may not be in a position to inform Customer beforehand.

Unauthorised, incorrectly executed or non-executed Payments, including refund rights

- 8.34 The Bank will make Payments on the basis of the information provided by the Customer. The Customer shall be responsible for the accuracy of information given, including but not limited to the Beneficiary's name and account number or IBAN, the Beneficiary's bank and the amount to be transferred. If the Customer provides the Bank with incorrect information, the Bank is not responsible if the Payment is not made, delayed, made incorrectly or received by the wrong person and any exchange loss arising on any such rejection, delay or incorrect Payment will be applied to the Account. If the Customer requests the Bank, the Bank will make reasonable efforts to recover an incorrect Payment and a charge may apply as per the Bank's Tariff of Charges.
- 8.35 The Bank will make sure that the Payments are sent to the Beneficiary's Bank. It is the Beneficiary's Bank's responsibility to make sure that the Payment is correctly and timely credited to the bank account of the Beneficiary in accordance with the law, regulation or any applicable rulebook or industry guidance.
- 8.36 The Customer is responsible for checking statements, SMS or other information or notification about the Account on receipt or when such statements, information or notification about the Account are available on Digital Banking (as applicable). The Customer is responsible to check that the Bank has correctly executed any Payment instructions.
- 8.37 The Customer is to notify the Bank without undue delay on becoming aware of any unauthorised or incorrectly executed Payment transactions by informing the Bank in Writing on helpdesk@fimbank.com or by telephone on freephone number 80073388 (within Malta) and telephone number +356 21322102. If the Customer does not tell the Bank promptly (and to the extent required by law, at the latest within thirteen (13) months of the date the Payment transaction has been deducted from the Account), the Customer may not be entitled to any applicable refunds.
- 8.38 The Customer must take all the reasonable precautions to prevent the loss, theft or fraudulent or unauthorised use of any payment instrument and/or the personalised security credentials (e.g. the password, codes or other user credentials for Digital Banking) and in particular the Customer is:
- not to leave the payment instrument and/or the personalised security credentials and/or any Account information out in an open area accessible by others, including on his or her computer screen;
 - not to leave the computer or any other device such as a mobile phone unattended while the Customer is connected to Digital Banking;
 - not to use the personalised security credentials when there are others nearby who could observe the Customer doing so;
 - not to choose a code or password that is easily guessed or identified as relating to the Customer, or is an obvious combination of letters and numbers (e.g. sequential numbers, birth date, etc.);
 - not to disclose the personalised security credentials to any other person including by email or through any other electronic manner;
 - not to keep any record of the personalised security credentials in a form that it can be easily identified;
 - not to store the personalised security credentials anywhere, in written or electronic form.

The Customer must notify the Bank in the manner set out above in clause 8.37 without undue delay upon discovery, or even a suspicion that the payment instrument and/or the personalised security features have been lost, stolen or misappropriated or that they may be misused or the Customer suspects or there is any reason for the Customer to suspect that the personalised security features have become known to another person.

- 8.39 The Customer shall cooperate with the Bank and may be asked to provide such evidence or other information as the Bank may require to establish whether the Payment in question was authorised or otherwise.
- 8.40 Without prejudice to the provisions below on liability in case of unauthorised transactions resulting on account of the unauthorised use of a payment instrument and/or any personalised security credentials, the Bank will refund the amount of a Payment and any charges or interest the Customer had paid as a result of it and where applicable, the Bank will pay the Customer any interest the Bank would have paid the Customer on that amount, if:
- the Customer asked the Bank to make the Payment to an account and this had not been properly processed by the Bank or was never received, unless there was a mistake in any of the details contained in the Payment instruction the Customer gave the Bank or the Bank can show that the Payment was received by the Beneficiary's Bank (in this case, the Beneficiary's Bank is required at law to make the payment immediately to that person) or if the circumstances giving rise to the incorrect Payment transaction were due to abnormal and unforeseeable circumstances beyond the Bank's control, the consequences of which would have been unavoidable despite all efforts to the contrary; or

- the Customer informs the Bank that the Payment had been unauthorised and, after having investigated it, the Bank is reasonably satisfied that that payment had not been authorised and that the Customer is not liable. The Bank may also refund the amount claimed, whilst the investigation takes place, reserving the right to re-debit the monies should the Payment prove to be authorised.

- 8.41 In the case of unauthorised transactions resulting on account of the unauthorised use of a payment instrument and/or any personalised security credentials, the Bank will generally investigate the unauthorised transactions and, if the Bank is reasonably satisfied that the transaction was not authorised by the Customer and that the Customer is not liable as set out in this clause, the Bank will pay back to the Account the amounts of the unauthorised transactions (including any interest or charges paid by the Customer as a result of the transaction), as well as any interest which the Bank would have paid the Customer on that amount, over the amount of fifty Euro (€50). Thereafter, the Bank will not have any further liability to the Customer.
- 8.42 The Customer shall be however unlimitedly responsible for any and all unauthorised transactions carried out on the Customer's Account prior to notification to the Bank, resulting on account of the Customer having failed to keep safe any payment instrument and/or personalised security credentials (e.g. the password, codes or other user credentials for Digital Banking) and there has been misappropriation of any payment instrument and/or any personalised security credentials or if the Customer has acted in breach of any obligations in relation to the payment instrument and/or the personalised security credentials as set out in these General Terms. Provided that in case of fraud on the part of the Customer, the Customer shall be liable for all and any transactions including those arising after notification to the Bank.

Incoming Payments in Customer's Account and SEPA Instant Payments/SEPA Instant Credit Transfers

- 8.43 If the Customer is receiving electronic fund transfers in the Account, the Customer must notify the sender of the payment, with the IBAN. The IBAN is available on all the statements of the Customer's Account or by phoning on +356 21322100 or on FIMBank Direct under Account Details.
- 8.44 The Customer can make, inward and outward money transfers from its Payment Account in EUR (or otherwise converted to EUR) to a bank account held with a bank participating in the SEPA Instant Payments scheme. The Bank shall execute payment orders for such transfers instantly so that a SEPA Instant Payment will reach the Beneficiary within 10 seconds from the time the payment was accepted by the Bank, provided that:
- (a) the balance in your Account is sufficient to cover the amount of the Payment plus related costs and expenses or the Customer has not exceeded a limit the Bank has applied to the Customer's Account;
 - (b) there does not exist a garnishee or other court order or an order from an authority or any other legal requirement in relation to your Account or funds which prohibits the Bank from executing the Payment;
 - (c) there is no reasonable suspicion about the source, legality or use of funds or your Account;
 - (d) the Payment instructions do not seem unusual compared with the way the Customer normally operates the Account and the Bank's compliance checks, including but not limited to the Bank's Anti-Money Laundering or Counter Terrorist Financing obligations, have been successfully concluded;
 - (e) instructions are clear, accurate and complete.
- 8.45 The Bank shall not be liable if the Customer suffers any loss as a result of the Bank's refusal to carry out a payment transfer due to the occurrence of any of the circumstances mentioned in a) to e) above.
- 8.46 The Customer shall be notified immediately in connection with a payment made, either that it was processed or that it was rejected. If successful, the Beneficiary shall receive the funds. A SEPA Instant Credit Transfer is available through the Bank's digital platform, FIMDirect, either as a single payment or in a batch/in bulk.
- 8.47 The Bank will use its own BIC/IBAN validation process to execute SEPA payments forming part of a Credit Transfer (CT) bulk payment file or SEPA Instant Payment batch file and reserves the right to change the BIC information if and when required.

- 8.48 Once a SEPA Instant Payment is authorized, it cannot be cancelled.
- 8.49 The Bank may not be able to make an instant payment instruction if the recipient bank does not make use of the scheme.
- 8.50 When a Customer makes a SEPA credit transfer or a SEPA Instant Payment, the Customer will be required to input Beneficiary's name and account number or IBAN, the Beneficiary's Bank and the amount to be transferred. Once the payment is authorised following the verification of payee check, the Bank does not bear liability if the payment is credited and sent to the wrong Beneficiary.

9. SEPA batch credit transfer or a SEPA batch Instant Payment

- 9.1 When the Customer makes a SEPA batch credit transfer or a SEPA batch Instant Payment, the Customer will be required to input Beneficiary's name and account number or IBAN, the Beneficiary's Bank and the amount to be transferred. Once the payment file is authorised following the verification of payee check, the Bank does not bear liability of any of the payments in the file if any of the payments are credited and sent to the wrong Beneficiary.
- 9.2 Unless the law prevents the Bank from doing so, the Customer will generally be immediately told in the event of a delay in the process of effecting the requested transaction or SEPA Instant Payment. The Bank reserves the right to request further information or documentation in relation to a payment transfer. If the Customer fails to provide the requested information or documentation in a timely manner or if the Bank is not satisfied that a payment in or out of the Customer's Account is lawful, the Bank may refuse to proceed with the transaction.
- 9.3 In the event that the Bank refuses to carry a payment order, unless the law prevents the Bank from doing so, the Bank shall notify the Customer about such refusal, including where possible the reasons for such refusal. The Bank will seek to contact the Customer by telephone or through any other available and appropriate means to inform the Customer that the Bank has refused to act on his or her Payment instructions (including where possible the reasons for refusal). In any event, the Customer shall be informed by not later than the end of the next Business Day after the Bank's refusal of the instruction.
- 9.4 In the event that Customer's payment is returned to the Bank by the Beneficiary, unless the law prevents the Bank from doing so, the Bank shall notify the Customer of the return, including where possible the reasons for the return.
- 9.5 Unless the Customer instructs us otherwise or unless the law prevents the Bank from doing so, the Bank shall credit the amount of funds returned less any charges due, if applicable, to the account that was debited. In the event that a currency conversion is required the Customer may also be liable for any exchange rate differences.
- 9.6 Before crediting the Account with the amount received, the Bank will deduct any charges which may be due to the Bank for processing the payment. In such case, the full amount of the transaction and the charges shall be split and shall be shown in the statement and/or in any advice or receipt.
- 9.7 If a Payment is fraudulently or mistakenly paid into a Customer's Account, the Bank reserves the right to claim refund from the Customer and/or to immediately deduct the amount from the Customer's Account without prior notice. This may happen even if the funds are included in the Account's balance, or the Customer has used them to make a payment, or has withdrawn them or transferred them all or in part. If the deduction of the payment from the Account would either result in the Account being overdrawn or exceed an existing overdraft limit, interest will apply as set out in clause 18.2.
- 9.8 If we receive cleared funds in a currency different than the currency of your Account, prior to crediting your Account, we shall convert the amounts received into the currency of your designated Account in accordance with the Bank's exchange rate on the relevant day.
- 9.9 For Payments in your Account which are received in a currency which is different from the currency in which your Account is held, an additional charge related to the conversion/exchange may be deducted from your Account or from the amount of the payment as per the Bank's Tariff of Charges.
- 9.10 The Bank shall not be obliged to credit an Account until cleared funds are received.

10. Third party Service Providers

- 10.1 When required at law, the Bank will provide access to account information service providers ("AISPs") and payment initiation service providers ("PISPs") each as defined in the PSD, each a third party service provider (the "TPP"), to the Account to the extent that the Account is considered a Payment Account within the meaning of the PSD, and the Bank makes such Payment Account accessible online through Digital Banking, provided that the Customer has contracted with a TPP that is appropriately authorised or registered with the MFSA or an equivalent regulator in the EEA and the Customer has expressly consented to such TPP being given such access and the TPP adheres to any relevant access protocols that the Bank may apply from time to time. The Bank may deny a TPP access to a Payment Account where there are justified and evidenced reasons relating to unauthorised use or fraudulent activities by that TPP. Before doing so, the Bank will inform the Customer that the Bank intends to deny access and will give reasons for doing so, unless it is not reasonably practicable to do so, in which case the Bank will inform the Customer immediately afterwards. In either case, the Bank will inform the Customer in the manner in which the Bank considers most appropriate in the circumstances and will not be obliged to inform the Customer where doing so would compromise our reasonable security measures or otherwise be unlawful. In the event the Bank denies access to a TPP the Bank is also required to notify the MFSA and/or any other Regulator who may be responsible.

11. Fraud Prevention

- 11.1 The Bank may carry out certain checks on transactions on the Account as part of the Bank's fraud prevention measures. The Bank may contact the Customer in any manner set out in the General Terms.
- 11.2 The Bank may, without any liability, take whatever action it considers appropriate to meet any obligations either in Malta or elsewhere, relating to the prevention of fraud, money laundering and terrorist activity and the provision of services to persons who may be subject to sanctions. The Bank may also, without any liability, take whatever action is considered appropriate in case it knows or suspects a breach of security or other suspicious circumstances in respect of or in connection with the operation of one or more of the Accounts or the products/services generally. Any such action may include, but is not limited to, investigating and intercepting payments into and out of the Accounts (particularly in the case of international transfers) and investigating the source or intended recipient of the funds.
- 11.3 Such action may also include making enquiries to establish whether a person is subject to sanctions. Exceptionally, this may delay the carrying out of the Customer's instructions or the receipt of cleared funds but, where possible, the Bank will advise the Customer of the reasons for and likely length of any delay. If the Bank is not satisfied that a payment in or out of the Account is lawful, the Bank may refuse to deal with it and in that case, where possible, it will advise the Customer of the reasons for refusal.

12. Statements and information on Payment Transactions

- 12.1 We shall, unless otherwise stated in any applicable terms and conditions, or as required by the type of Account, issue Account statements at the end of each calendar year.

Additional statements may attract a charge as per the Bank's Tariff of Charges.
- 12.4 Upon closure of an Account, a statement shall be made available to the Customer, free of charge and sent to the mailing address indicated in the appropriate account opening form or to the last mailing address the Customer has notified the Bank.

13. Evidential force of Bank records

- 13.1 An extract of the Bank's records relating to you or to your Account shall constitute 'prima facie' evidence of the contents of such records.

14. Errors in Bank Documents

- 14.1 If we find to have made a mistake in any confirmation, statement of Account, notice or other communication to the Customer, we shall notify you as soon as reasonably practicable.
- 14.2 You are required to examine all confirmations, statements of Account, notices and other statements or communications from the Bank immediately upon receipt or when they are available on Digital Banking, as may be applicable. Without prejudice to the provisions of these General Terms or any Additional Conditions, in relation to unauthorized or incorrectly executed Payment Transactions, in case of any errors, inaccuracy or incompleteness, you are obliged to notify us immediately and following verification, we shall rectify the mistakes.

15. Reversal and Correction of Entries by the Bank

16. Appropriation of Payments

- 16.1 Whenever there shall be any debt owing by you to the Bank, the Bank is entitled to appropriate payments we receive from you or for your account at our sole discretion. Unless we determine otherwise, payments shall be appropriated in the following order:
- First towards any costs, expenses or disbursements which we may incur on your behalf;
 - Secondly towards any accrued interests, fees and commissions due but unpaid to the Bank;
 - Thirdly towards the principal amounts; and
 - In case of several debts, we shall apply payments first towards unsecured debts and then to secured debts.

This Clause shall apply to the extent that we do not reach any written agreement to the contrary with you.

17. Currency of Indebtedness

- 17.1 Your Indebtedness shall be repaid in the currency in which it arises or has been granted. If any payments are received by the Bank in connection therewith in another currency, the Bank shall be entitled to convert the same into the currency of the Indebtedness and to credit such payment against the Indebtedness at the prevailing exchange rate at the time of conversion. You shall indemnify the Bank on demand in respect of any losses which arise or amounts which otherwise remain outstanding as a consequence of the conversion of such currency received into the currency of the Indebtedness. Furthermore we reserve the right to recover any expenses which we may incur in hedging the customer risk.

- 17.2 Without prejudice to the above, the Bank shall be entitled to change the currency of any Indebtedness and to require the discharge of the payment obligations vis-a-vis the said Indebtedness in the said currency, by a notice in Writing to the Customer in the event that it appears to the Bank that repayment or continuation in the existing currency is no longer possible or will result in the Customer being unable to perform its obligations towards the Bank, as a result of events relating to such currency which are beyond the reasonable control of the Bank or otherwise.
- 17.3 Except in cases of extreme urgency, we shall give you the opportunity to propose alternatives to curtail the risks of the situation, provided that in any event we shall not be bound by such proposals and we shall not be liable for any losses which may arise by virtue of such situation or the change in the relevant currency. Our rights to offset due claims against you in the same currency shall not be affected by the provisions of this paragraph.

18. Interest

18.1 Payment of interest

Funds held by yourself with us shall NOT bear interest in your favour, unless in agreement with the Bank these are expressly credited to an interest bearing Account. In the event that interest is agreed upon, the said interest shall be credited to your Account at such times as would have been agreed. Unless expressly provided by law, we shall be at liberty to agree with you the rate of interest applicable to the Account. If applicable, interest on the Account will be at the rate of interest set by the Bank for the particular Account as may be published by the Bank from time to time or as agreed with the Customer.

Information about any current interest rates applicable for any particular Account is available at the Bank's offices, on the Bank's website www.fimbank.com/en/interest-rates or by telephoning the Bank on freephone number 80073388 (within Malta) and telephone number +356 21322102. Please refer to clause 32 regarding changes in interest rates.

We may be bound by legislation to provide for automatic exchange of information regarding interest payments to the competent authorities in Malta or in other countries who may be legitimately entitled to such information. However, the onus of proof as to whether such authorities are legitimately entitled to such information shall not lie with the Bank. In the above-mentioned case you authorize us to disclose all information which we may be bound to provide.

Payments of interest may also be subject to the deduction of withholding of tax therefrom, in terms of any applicable legislation. Unless advised by the Customer, withholding tax at a rate fixed by the authorities will be deducted from interest paid on Accounts held by account holders who are resident in Malta.

18.2 Debiting of Interest

Interest will accrue on any amounts borrowed from the Bank and on overdrawn amounts and/or withdrawals effected against amounts for which the Bank had not yet received value at the rates applicable for debit balances as may be published by the Bank from time to time. It may also be agreed with the Customer that the Bank may apply interest rates that are based on a reference rate plus a margin set by the Bank.

Please refer to clause 32 on changes in interest rates.

Unless otherwise agreed in Writing with the Customer, we shall debit interest calculated on daily debit balances to your Account, at least once a year.

Unless otherwise agreed in writing with the Customer, debit interest rates shall apply at the debit interest rate set by the Bank from time to time and is available at the Bank's offices, on the Bank's website or by calling the Bank on +356 21322100. It may also be agreed with the Customer that the Bank may apply interest rates that are based on a reference rate plus a margin set by the Bank.

If the Customer is required by law to withhold any withholding or similar tax from any payment to be made to the Bank, the amount of the payment due from that Customer shall be increased to an amount which (after making any applicable withholding) leaves an amount equal to the payment which would have been due if no withholding had been required.

19. Bank Charges and Commissions

Charges which may be payable in connection with the Account and on other Bank products and services may change from time to time. In the absence of a written agreement providing otherwise, the charges and commissions for the products or services we customarily provide to you shall be those given in the Tariff of Charges as may be revised from time to time in accordance with these General Terms.

Other charges and commissions may apply in case of products or services which are not listed on the Tariff of Charges. Where required at law, the Bank will notify the Customer of any such charges and commissions prior to the Customer entering into an agreement with the Bank for such product or service.

Without prejudice to the Bank's right to close an Account in case of inactivity in terms of clause 33, we shall also be entitled to charge a fee for an Account which has been inactive for a period of at least 730 days. The fee and the Account to which it applies are set out in the Tariff of Charges.

All expenses which we may incur when acting upon your orders or in transacting your business (e.g. long-distance calls and postage) as well as expenses incurred in connection with the evaluation, release or realization of any collateral provided by you (including maintenance costs, insurance, legal and notarial fees and court expenses) shall be borne by you.

Through these General Terms, you are authorizing the Bank to debit your Account, without notice, with all such fees, charges, commissions and expenses due to the Bank in terms of these General Terms, the Additional Conditions and/or any agreement entered into with the Customer.

We may in appropriate circumstances require such fees, charges and expenses to be paid in advance of the Bank or the third party, as may be applicable providing the service and/or the product. Except where required at law, such advance payments shall not be refundable in the event that the agreement with the Customer is not entered into or is terminated.

We may, in our sole discretion, debit interest, charges, commissions and other costs and expenses due by you to a separate Account or Accounts which we are authorised to open in your name for the said purposes.

Please refer to clause 32 in relation to changes in charges.

20. Costs and General Indemnity

You shall bear all costs, fees and expenses, including legal and professional fees which we may incur in connection with the preparation of any agreements, including security agreements, between us. Any costs for enforcement of security or judgments against you shall also be borne by you.

Any costs incurred by the Bank as a result of disputes, litigation or any other action, whether in Court, in front of any other adjudicating body or tribunal, or out of Court, whether against you and/or against third parties and arising out of the relationship or agreements between the Bank and yourself shall also be for your account.

Except where otherwise provided in these General Terms and save in cases of gross negligence or willful default on our part or on the part of our employees or agents, you shall indemnify us on demand against all losses, actions, claims, expenses, demands and liabilities of whatever nature, made or incurred by or brought against us, arising under or pursuant to these General Terms, the Additional Conditions and/or any other agreement entered into between you and us.

21. Letters of Credit & Guarantee Facilities

Subject to any special conditions agreed to in writing, documentary credits, stand-by letters of credit, guarantees and similar arrangements are regulated and fully subject to the prevailing rules issued by the International Chamber of commerce, from time to time namely but not exclusively to:

- Uniform Customs and Practice for Documentary Credits
- Uniform Rules for Demand Guarantees
- International Standard Banking Practice Rules

You shall be liable to and undertake to indemnify and reimburse us for all payments made under any letters of credit, stand-by LC or Guarantees issued on your behalf or on your account, together with any commissions or charges, interest

and currency exchange losses which we may suffer in relation thereto. In this respect we are authorised to debit your Account with such sums.

We shall also have the right to arrange for insurance on your behalf and at your expense in the event that the insurance you arrange, if any, is not to our satisfaction. Insurance may not be to our satisfaction with respect to, amongst others, the type of insurance cover and the margin over the value of the goods.

Any insurance policy which you arrange shall be delivered to us on our simple demand. Such insurance policy shall be endorsed in blank, or if we so require, it shall indicate us as a loss payee or have our interest noted.

As a security for all your Indebtedness towards us, irrespective of whether such Indebtedness arises in terms of the letters of credit, standby-Letter of Credits, guarantees or otherwise, you authorize us to retain the documents under such credits and any merchandise to which they relate. For the purposes of this clause, the Indebtedness includes the insurance costs, warehousing costs, costs for obtaining possession or disposing of the merchandise, costs for preserving or otherwise maintaining the value of the said merchandise.

We are authorised in our absolute discretion to dispose of such documents and/or merchandise for value, either before arrival or otherwise and with or without giving notice to you.

We may from time to time request cash or other collateral. The costs of obtaining such collateral shall be at your account.

In the event that we release documents to you prior to us being placed in funds, you shall hold such documents and any proceeds deriving from negotiation thereof in trust for us.

If you waive any discrepancies in the documents presented under the credit, or you request us to pay before having satisfactorily received all documents in terms of the credit, then we shall only pay upon receiving written instructions to this effect from you and subject to availability of funds in your account or against approved facilities made available by the Bank. In such case you hold us harmless and indemnified against any liabilities which may arise.

22. Security

Without prejudice to any security granted by you, we may request the provision of adequate security (including but not limited to cash collateral and margins) for all claims arising from these General Terms or from any agreement entered into between us, and for all charges, commissions and out-of-pocket expenses.

We may request the provision of security and/or further and/or different security if circumstances arise, which in our opinion, necessitate such request on our part including, but without prejudice to the generality of the foregoing where:

- a) Your economic (or that of your guarantor, where applicable) circumstances have changed, or are likely to change, in such a manner that they impinge negatively on your ability to fulfill your obligations towards the Bank;
- b) A Material Adverse Change occurs;
- c) The value of any existing security has deteriorated or is likely to deteriorate or the security has become inadequate.

You shall provide us with such security immediately upon demand.

You are obliged, at our request to execute all such documents, acknowledgements or agreements and to do all such acts as may be necessary for purposes of registering, completing, perfecting or otherwise correcting, modifying or updating any agreement entered into with the Bank or security provided to the Bank or in connection with the assignment or enforcement of any such agreement or security, or otherwise as may be necessary or appropriate from time to time in the context of our relationship.

23. Release of Security

If the Bank reasonably requires, it may decline to release any security, even if the Indebtedness shall have been paid in full, unless it is satisfied that any payment of the Indebtedness will not be avoided whether as a preference or otherwise.

Any release or discharge of the security will be subject to the condition that no security or payment to the Bank is avoided

(whether under any statutory provision relating to insolvency or otherwise and whether reversed, revoked or declared null at any time).

If any security or payment is avoided, the Bank is entitled to recover from the Customer the value or amount of that security or payment as if there had been no release or discharge of the security and/or to request the reinstatement of security and/or the provision of alternative security and the Customer shall do all that it necessary in order to comply with the Bank's demands in terms of this clause.

24. Acceleration of Obligations

An Event of Default shall ipso jure occur under any agreement between the Bank and yourself, without the need of any authorisation and/or confirmation from a competent court.

On and at any time after the occurrence of an Event of Default the Bank may by notice in writing to you:

- a) cancel any commitments (if any) of the Bank with you, at which time they shall immediately be cancelled;
- b) declare that all or part of the Facility and/or the Indebtedness, together with accrued interest, and all other amounts accrued or outstanding by you towards the Bank be immediately due and payable, at which time they shall become immediately due and payable;
- c) declare that all or part of the Facility and/or the Indebtedness, together with accrued interest, be payable on demand, at which time they shall become payable by simple demand in writing by the Bank.

Whenever any of your obligations towards the Bank are not due and payable because of an agreement in relation to the time of performance or other conditions, such grant of time or conditions shall lapse and shall no longer be deemed applicable upon the happening of an Event of Default.

25. Right of Retention

In addition to any other rights to which we may be entitled to, on and at any time after the occurrence of an Event of Default, we shall also be entitled to retain and not repay any amount whatsoever which may at any time be owing by us to you, or any monies whatsoever which we may at any time hold in your Account (whether on current, deposit or any other Account), unless and until the Indebtedness shall have been discharged in full. If any Indebtedness is not discharged in full when due, we shall be entitled to the extent of such Indebtedness as remains undischarged, to appropriate any amount so owing to you from any money so held for your account in or towards the discharge of such indebtedness.

Any amounts standing from time to time to the credit of your Account with us shall mature on the earlier of the date on which the Bank determines that all Indebtedness has been unconditionally discharged, the date when the Bank determines that no other such Indebtedness is capable of arising or the date on which any Indebtedness becomes due and payable by you to the Bank. Proportionate maturity shall take place where the Indebtedness does not exceed the amount of the relevant deposits. The Bank shall be entitled to apply any such matured deposits in accordance with the provisions of this term.

The existence of any fixtures on any deposits shall not prejudice the Bank's rights under this term. Any remaining monies will be re-deposited at the Bank's discretion unless otherwise agreed.

26. Netting and Set-Off

In addition to the rights conferred by law, the Bank shall be entitled, in terms of the provisions of the Set-Off and Netting on Insolvency Act (Chapter 459 of the Laws of Malta), to set-off against monies due to it by the Customer all or any monies from time to time standing to the Customer's credit (whether in his or her sole name or jointly with any other person(s)) with the Bank, whether on current or any other Account, including those subject to a term whatsoever and any sums standing in a suspense or impersonal account.

For the purposes of the foregoing:

- a) we shall be entitled at our sole discretion (before as well as after demand) to combine or consolidate all monies now or hereafter standing to your credit on any Account with us and in any currency;
- b) we shall be entitled to bring to an end any fixed deposit period applying to any Accounts you hold with the Bank and

to adjust any interest payable by us;

- c) all obligations between us shall be accelerated, and all amounts due from you to us and vice-versa shall be immediately due and payable;
- d) if the obligations are in different currencies, all obligations may be converted by us in any other currency at the Bank's applicable rate of exchange on the relevant day; and
- e) if any obligation by us or you is unliquidated or unascertained, we may set-off in an amount estimated by us in a commercially reasonable manner and in good faith to be the amount of that obligation.

However, it is expressly agreed that your Indebtedness shall in no way be extinguished, discharged or reduced or in any way affected by any right of set-off or counter-claim or any right whatsoever against the Bank and you are hereby expressly waiving all rights (including any and all rights of action) you may have against the Bank until after payment in full of the Indebtedness to the satisfaction of the Bank.

27. Realisation of Collateral

We shall be at liberty to choose which of the collateral provided by you we might realise.

Unless otherwise required at law, we may realise collateral without giving due notice.

28. Suretyship (Guarantees)

Where applicable, these General Terms shall apply to any contract of suretyship (guarantee) securing your obligations towards us, and in so far as these General Terms are expressly incorporated into any such suretyship, they shall apply to the relationship between us and the surety (guarantor) with references to you being read as references to the surety (guarantor) in so far as appropriate.

The acceptance or otherwise of a person proposed by the Customer as a surety shall be at the discretion of the Bank.

Furthermore, you are obliged to keep us fully informed about any event affecting the surety (guarantor), its status and its ability to perform all its obligations towards us and to support the Bank in perfecting and enforcing its rights under any suretyship (guarantee).

In the event that any surety is liable to us for more than one debt, or in relation to more than one Customer, we shall have full discretion on how to apply any payment made by the surety, and this notwithstanding any statement, instruction or request made by the surety in making such payment.

29. Assignments

You are not entitled to assign, transfer, novate, delegate or dispose of any of your rights or obligations under these General Terms or in respect of any Account or in respect of any contract entered into between us without our express prior written consent.

The Bank may assign, transfer or dispose of any of its rights and/or obligations under these General Terms or in relation to the Account or any contract entered into with the Customer.

30. No Waiver

The rights of the Bank in these General Terms shall be in addition to and shall not prejudice and shall not be in any way prejudiced or affected by any collateral or other security or other rights at any time held by the Bank for or in relation to any of your Indebtedness.

No failure on our part to exercise, or delay in exercising any of our rights, remedies, powers or privileges under these General Terms shall operate as a waiver of any of our rights, remedies, powers or privileges, nor shall a single or partial exercise preclude any other or further exercise.

The rights and remedies under the General Terms are cumulative and not exclusive of any rights and remedies provided by law.

31. Invalidity

Each of the provisions of the General Terms is severable and distinct from the others, and if at any time, any of the provisions of these General Terms or of any agreement between us, shall be invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be thereby in any way affected or impaired.

Such termination shall be without prejudice to any rights accruing hereunder prior to the termination.

The Customer may close any Account and/or terminate any product or service which is governed by these General Terms and/or terminate these General Terms at any time by notifying the Bank in Writing. Any such termination will bring to an end these General Terms and/or any Additional Conditions in so far as they apply to the Account and/or the product or service being terminated. The notification will not be effective until it has been received by the Bank and any Account will only be closed on the repayment of any sums which may be owing to the Bank on the Account including any interest accrued and/or charges. These sums are to be paid to the Bank on demand. If, after Account closure, the Bank incurs any charges relating to any transactions which had been carried out on the Account, these charges will be due by the Customer. 1. Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to EUR 100,000.

2. General limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Depositor Compensation Scheme in accordance with the Regulations. This repayment covers a maximum of EUR 100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If for instance a depositor holds a savings account with EUR 90,000 and a current account with EUR 20,000, he or she will only be repaid EUR 100,000.

In addition to the protection described above deposits may be protected in some cases up to a maximum of EUR 500,000 for six months after the amount has been credited or from the moment when such deposits become legally transferrable. In order to qualify for such higher protection a deposit in excess of EUR100,000 must meet any one of the following additional criteria:

(A) it comprises:

- (a) monies deposited in preparation for the purchase of a private residential property by the depositor ;or
- (b) monies which represent the proceeds of sale of a private residential property of the depositor; or

(B) it comprises sums paid to the depositor in respect of:

- (a) a separation, divorce or dissolution of their civil union; or
- (b) benefits payable on retirement; or
- (c) a claim for compensation for unfair dismissal; or
- (d) a claim for compensation for redundancy; or
- (e) benefits payable for death or bodily injury; or
- (f) a claim for compensation for wrongful conviction.

However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of EUR 100,000.
